Message from RTA President – Bruce Hiddle

Recently a statement from our Redcliffe Tennis Association Club President, Bruce Hiddle, was sent out to our members via email. It addressed issues at our centre which are of the utmost importance to our members and the centre as a whole. **For more information you are welcome to peruse an excerpt of the draft planning document which is available for review in the Pro Shop.** The document contains the results of the recent member survey and a roadmap to implement the items that had the most support. Any feedback our wish to share with RTA can be sent to Karen, our club secretary, at TennisRedcliffe@gmail.com.
