## Grace Lutheran Kindergarten Hot Shots Program

### Tennis Comes to Kindy! – Week Three

Wednesday 8<sup>th</sup> March 2017

The Kindy Blue and Kindy Red children once again enjoyed lots of gross motor experiences outside in the carpark area this morning, as they participated in the tennis program at Kindy. Today the children had another opportunity to explore how they could move their bodies in different ways, during a variety of activities with our tennis coaches Mr Chris and Mr Curly. Today's activities included using some tools for hitting, catching and throwing. The children loved using the balls to catch and throw in pairs, using the tennis rackets to hit tennis balls over a net, and using their coordination skills to watch, follow and catch small balls into cups! The children are continuing to build on their resilience skills also, as they continue to practice and persist with using different skills each week! Take a look at all the tennis fun we had today!

**LOCS Identity** - Acts with increasing independence and perseverance. Building a confident self-identity. **Wellbeing** - Builds a sense of autonomy and wellbeing. Explores ways to promote physical wellbeing. **Connectedness** - Builds positive relationships with others.

**Centre Philosophy Links** - Experiences are chosen by our staff to reflect these images of childhood: a strong sense of the vitality and joy that springs from being in control of one's actions, emotions influencing behaviour; part of adult life and yet apart from it; connected with other people times and places through pretence; delight in making and doing; negotiations about the 'rules' that apply in situations and relationships; sharing experiences with others; emphasizing fun and joy in living; sharing games that contribute to a culture of childhood; coping with fear of and fascination with the unknown; experiencing challenge within safe environments.

**NQS Links** - 6.3 The service collaborates with other organisations and service providers to enhance children's learning and wellbeing.

**Family Comments** -
