## 🗢 SPOTLIGHT: DAVID 🗢

After 40 years, David Herbener has recently retired from umpiring for Tennis Australia. David began his days as a ball boy from 1984 to 1989, at many local, national and international events. Dear Valued Members,

#### **PRESIDENT'S ADDRESS**

Happy New Year, and welcome to 2024! We hope you all had a fantastic holiday season filled with joy and relaxation. As we dive into the new year, we're excited to share some updates and priorities for the centre we have been working on.

First and foremost, I want to thank you for your ongoing support and dedication to our community. Your passion for the sport is what drives us to continually enhance our facilities and services.

Due to my line of work, time off over the Christmas/New Year break is not possible however towards the end of January I was lucky enough to take time off and have opportunity to experience the thrill of the Australian Open in Melbourne with my family. The highlight of the trip was being in the arena for the 'Joker' vs 'Poppy' match. Seeing my children captivated by the thrill of the sport at this game was such a memorable moment - to also catch him in the lobby of our hotel on his way to training was a moment my boys will never forget.

Looking ahead, the next 18 months are filled with exciting projects aimed at elevating our tennis courts. Here are some of our key priorities:

- 1. Resurfacing of Hard Courts 1 & 2.
- 2. Upgrade Air-Conditioning in the Club House: A comfortable clubhouse environment is essential. We're investing in upgrading our air conditioning to ensure your comfort.
- 3. Grass Court Repairs: Maintaining the charm & quality of our grass courts is paramount. We're undertaking repairs & upgrades to uphold standards.
- 4. Fence Adjustments for Pickleball Courts: Embracing the growing interest in pickleball, we're making necessary adjustments to accommodate the sport.

Your feedback and support are invaluable as we move towards making these changes. Together, we are shaping the future of our centre and creating an environment where everyone can thrive and enjoy the sport we love.

Thank you for being a part of our tennis community. Here's to a year filled with memorable matches, personal bests, and shared victories.

Warm regards, Mat Davey

Here, he was able to watch and play beside some of the best junior and open players in the world. The camp involved seven rounds of competition against players from each state and territory, with Oliver's team making it to the semi finals.
